Ahoy All,

After a full summer of events we have come to the end of another successful season. Our well-attended Commodore's Reception on a scorching hot Labor Day was followed by a spectacular Shore Dinner and our Annual Meeting and Change of Watch Dinner at Osteria Romana. Over 40 members enjoyed good company, good food and wonderful music from The Bards who had us all dancing! Our new Board of Governors was elected but we would like to expand the Board from 7 to 10 so please consider participating in this rewarding endeavor.

Membership dues will remain at \$75 which includes insurance, postage, printing, membership card etc. Still outstanding value for our members and this membership does provide reciprocity with many other yacht clubs. Membership renewal forms are available on the web site. We will inform you early in the New Year as to the deadline for renewing in order to be in the directory Looking forward to 2015 and smooth sailing.
